**SECOND AMENDMENT TO THE DECLARATION OF COVENANTS,  
CONDITIONS, AND RESTRICTIONS FOR HIGHLAND VILLAGE**

STATE OF TEXAS           §  
  §  
COUNTY OF HARRIS       §

This Second Amendment to the Declaration of Covenants, Conditions, and Restrictions for Highland Village ("Second Amendment"), certified by the Secretary of the Highland Village Civic Club, Inc. (the "Association"), and approved by the votes of the Owners representing a majority of the Lots subject to the Declaration (as same is defined hereinbelow), and shall be effective as of the date of recording in the Official Public Records of Real Property of Harris County, Texas.

10R

WHEREAS, covenants, conditions and restrictions were imposed upon Lots comprising the Highland Village subdivision ("Subdivision") by that certain instrument recorded on May 14, 1948, in Volume 1768, Page 673, of the Deed Records of Harris County, Texas (the "Original Restrictions"), as same were amended and extended from time to time; and

WHEREAS, the Original Restrictions were amended and restated in their entirety by the recording of that certain Declaration of Covenants, Conditions and Restrictions for Highland Village, recorded in the Harris County, Texas public records under Clerk's File No. V868642 (the "Declaration"); and

WHEREAS, the Declaration was amended by the recording of that certain amendment to the Declaration of Covenants, Conditions and Restrictions for Highland Village, recorded in the Harris County, Texas public records under Clerk's File No. Z232204 (the "First Amendment"); and

WHEREAS, the Declaration, First Amendment, and all other instruments that have amended, renewed, or extended the Declaration from time to time, are hereinafter collectively referred to as the "Declaration"; and

WHEREAS, reference is hereby made to the Declaration for all purposes, and any and all capitalized terms used herein shall have the meanings set forth in the Declaration, unless otherwise specified in this Second Amendment; and

WHEREAS, pursuant to Article VII, Section 7.1 of the Declaration, the Owners have the authority to amend the Declaration; and

WHEREAS, the Owners desire to amend the Declaration.

NOW THEREFORE, the Owners representing not less than a majority of the Lots subject to the Declaration hereby amend the Declaration as follows:

ER 049 - 89 - 1395

Article II, Section 2.4(C), entitled "LOCATION OF IMPROVEMENTS - SETBACKS" is deleted in its entirety, and replaced by the following:

*C. LOCATION AND SQUARE FOOTAGE OF IMPROVEMENT – SETBACKS.*

*(1) The "Residential Construction Area" of a Lot is the area within which the following setback restrictions allow construction of a Residential Dwelling, garage or improvement, other than landscaping. Any Residential Dwelling, garage or improvement other than landscaping must be located within the Residential Construction Area of the Lot, as provided by this section.*

*By way of example and not limitation, if a Lot is 6,000 square feet in total size, and the following setbacks prohibit construction on 1,000 square feet, the Residential Construction Area for this Lot is the remaining 5,000 square feet. (This example is for illustrative purposes only, and does not establish the ratio of the size of the Residential Construction Area to the size of the Lot);*

*(a) No Residential Dwelling or other structure shall be erected nearer to any street or property line than as established in the applicable plat for such Residential Dwelling. In the event there is a conflict as to setbacks between the applicable plat and these restrictions, the more restrictive setbacks will control. Notwithstanding anything contained herein to the contrary, in no case shall a rear setback on any Lot be less than the width of any easement existing along the rear Lot line of such Lot, as shown on the applicable plat. All Dwellings shall be oriented to the front of the Lot.*

*(b) No Residential Dwelling, garage or improvement other than landscaping shall be located nearer to the front property line than twenty-five (25) feet. No Residential Dwelling or improvement other than a garage and/or landscaping on any Lot shall be located nearer to the rear property line than the width of an easement shown on the plat or five (5) feet or nearer to any side property line than the width of an easement shown on the plat or five (5) feet. A detached garage on a Lot shall not be located nearer to the rear property line than three (3) feet. An attached or detached garage on a Lot shall not be located nearer to a side property line than five (5) feet. On a corner Lot, an attached or detached garage shall not be located nearer to the side property line adjacent to the street than ten (10) feet. A detached garage on a Lot shall not be located nearer than seventy (70) feet from the front property line.*

*(c) For each of these setbacks, the limits shall extend from the ground upward to the maximum height of the Residential Dwelling. By way of illustration and not limitation, a Residential Dwelling, garage or improvement that complies with the setback restrictions at ground level, but then is cantilevered or built out over the setback limits, is in violation of the restrictions. The Board shall have discretion to determine whether a particular Residential Dwelling, garage or improvement conforms with the setback requirements in this Second Amendment.*

ER 049 - 89 - 1396

(2) No more than eighty-five percent (85%) of the Residential Construction Area may be used for the Residential Dwelling, garage, or other improvement. The remaining fifteen percent (15%) must remain unimproved except for landscaping. Walls and/or fences shall be exempted from these limitations. Owners must comply with all governmental permitting and approval for all improvements, including permeability requirements.

In continuing the example noted above, the Residential Construction Area was 5,000 square feet. Thus, construction of a Residential Dwelling, garage or improvement may cover a maximum of 4,250 square feet (eighty-five (85) percent) of the Residential Construction Area. 750 square feet (fifteen (15) percent) of the Residential Construction Area must remain unimproved except for landscaping.

The following Article IX, entitled "Architectural Review", shall be added to the Declaration as follows:

*Section 9.1 AUTHORITY. The Board of the Association shall have architectural review authority over new construction and modifications, as described in detail below. The Board of the Association shall have the right to delegate its architectural review authority to an Architectural Review Committee ("ARC") by duly appointing as ARC members three Owners who are Members in Good Standing, as that term is defined in the Bylaws governing the Association, recorded under Clerk's File Number 20110185479 in the Official Public Records of Harris County, Texas, as same may be amended from time to time. The ARC shall be a committee of the Board. The Board reserves the right to appoint replacements as necessary by reason of resignation, removal or incapacity. Such removal and/or appointment shall be at the sole authority and discretion of the Board. Additionally, the Board shall have the right to dissolve the ARC in its sole discretion. The Board shall have the right to review any action or non-action taken by the ARC and shall be the final authority.*

*SECTION 9.2 GUIDELINES. The Board and/or the ARC shall have the right, but not the obligation, to promulgate guidelines ("Guidelines") as to the construction and/or modification of Residential Dwellings in accordance with the architectural style and standards of the subdivision. Such Guidelines may be changed, amended or modified at any time without notice to the Owners. Different Guidelines for additional property that may be annexed into the Subdivision may be promulgated.*

*SECTION 9.3 ARCHITECTURAL REVIEW AND APPROVAL REQUIRED. No buildings, hardscape, additions, modifications or improvements shall be erected, placed or performed on any Lot until the construction plans and specifications including, but not limited to, the site plan, design development plan, and exterior plan have been submitted in duplicate to and approved in writing by the Board or ARC, as hereinafter provided. The Board and/or ARC is hereby vested with the right, but not the obligation, to refuse to review a request for an improvement or modification, or to deny such a request, if the Owner requesting same is not a Member in Good Standing.*

*Builders may submit their design plans as master design plans, which plans shall include all specifications, including specifications as to brick color and paint color that may be used when building each design. The Board or ARC may, at their sole discretion, retain and/or delegate review of plans and specifications to a designated AIA architect or other such person or firm as may be designated by the Board, experienced or qualified to review same, who may then render an opinion to the Board and/or ARC. Approval of plans and specifications shall not cover or include approval for any other purpose and specifically, but without limitation, shall not be construed as any representation as to or responsibility for the structural design or engineering of the improvement or the ultimate construction thereof. In the event the Board or ARC fails to approve such plans and specifications within thirty (30) days after the receipt thereof, they shall be deemed to be disapproved. Notwithstanding any other provision contained herein, any Residential Dwellings, additions, or improvements erected or placed on any Lot shall be deemed to comply with the Guidelines and related covenants contained in the Declaration unless the Board or ARC so notifies the Owner otherwise in writing within four (4) years from the completion thereof. This provision, however, shall not be deemed a waiver of the right of the Association to enforce the continuing restrictions contained herein.*

*The Board shall have the authority hereunder to require any Owner or Owner's agents or contractors to cease and desist in constructing or altering any improvements on any Lot, where such actions have not first been reviewed and approved, constitute a violation of the Declaration, the Guidelines or any other documents promulgated by the Board and/or the ARC. Written notice may be delivered to the Owner, or any agent or contractor with apparent authority to accept same, and such notice shall be binding on Owner as if actually delivered to Owner. The violating Owner shall remove such violating improvements or sitework at its sole expense and without delay, returning same to its original condition or bringing the Lot into compliance with the Declaration, Guidelines, dedicatory instruments and any plans and specifications approved by the Board or ARC for construction on that Lot. If an Owner proceeds with construction that is not approved by the Board or ARC, or that is a variance of the approved plans, the Association may assess fines as provided for herein, and may continue to assess such fines until Board or ARC approval is granted or the violation is removed. This Declaration is notice of such liability for violation and Owners hereby agree to bear the cost and expense to cure any violations according to this provision, regardless of the substantial cost, time or loss of business involved. Each Owner acknowledges that it may not always be possible to identify objectionable features of proposed construction or alteration of improvements until such construction and/or alteration is completed, in which case it may be unreasonable to require changes to the improvements involved; however, the Board or ARC may refuse to approve similar proposals in the future.*

*The Board and/or ARC or its agents or assigns shall have the right, but not the obligation, to enter any Lot or Lot to determine if violations of this Declaration, the Guidelines, or any other documents promulgated by the Board or ARC exist. In so doing, the Board and/or ARC shall not be subject to any liability for trespass, other tort or damages in connection with or arising from such entry nor in any way shall*

*the Association or its agent be liable for any accounting or other claim for such action.*

*The Board or ARC shall have the right to set reasonable time constraints for the commencement of construction, which constraints shall be no less than ninety (90) days to commence construction. If construction fails to start before the designated commencement date or is not completed before the designated completion date the plans shall be deemed not approved. Plan approval shall be effective for twelve (12) months after issued by the Board or ARC. If no construction has been commenced within the twelve (12) month period after Board or ARC approval, the plan approval shall expire, and plans must be re-submitted prior to commencement of construction.*

*The Board and/or ARC has the right to charge a review fee, to be established by the Board, for review of any plans or specifications submitted for approval to the Board or ARC.*

This Second Amendment shall be effective as of the date of recording in the Official Public Records of Real Property of Harris County, Texas and shall not be applied retroactively. If any provision of this Second Amendment is found to be in conflict with the Declaration, this Second Amendment shall control. The Declaration, as hereby amended, is in all ways ratified, confirmed, and remains in full force and effect.

This Second Amendment may only be amended by an amendment to the Declaration as provided in Article VII.
